

Plastic Laminate Price List is based on -38 and -60 suffixes only. All others must be factory-quoted.

YOUR VISION,
delivered.

SELECTIONS FROM WILSONART® HPL

 **Wilsonart®**

HPL

Your designs, limitless.

Wilsonart® High Pressure Laminate (HPL) is crafted for affordable luxury, practical performance, and defining design. The design options are vast, but there is only one objective — providing the perfect combination of art and engineering for every environment.

Wilsonart® HPL offers limitless designs, is #1 in sustainability, has 3X more wear resistance when powered by AEON™ Technology, and is stocked locally with unmatched reliability.

From sustainability information to the full design catalog, this brochure contains everything you need to know about Wilsonart® HPL.

Whatever vision you see, we see it through with a limitless collection of the most sustainable HPL designs delivered faster than anyone else.

LIMITLESS DESIGNS

In-stock

- Curated in-stock selection of 300+ locally available designs, featuring woodgrains, stones, patterns, and solid colors.

On-demand

- Endless on-demand options featuring 1000+ additional designs.

Create your own

- Bring any design to life with color alterations or tailor-made designs.

#1 IN SUSTAINABILITY

Made with an average of 23% post-consumer recycled content, 2X more than other laminates.

3X MORE WEAR RESISTANT

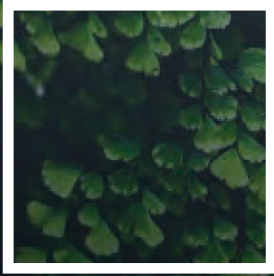

When powered by AEON™ Technology, Wilsonart® HPL surfaces are 3X more resistant to wear, scratches, and scuffing, compared to other laminates.

UNMATCHED RELIABILITY

Stocked locally in 100+ locations. On-demand designs shipped within 21 days.

TABLE OF CONTENTS

2. Why Wilsonart® HPL?	8. Abstract Designs	14. Residential Collection	20. Laminate Finishes
3. Sustainability	11. Specialty Laminates	17. Coordinated Solutions	22. Composite Panels
4. Woodgrain Designs	12. Solid Color Designs	18. Wilsonart® HD® Laminate	23. Decorative Edges

#1 in sustainability.

At Wilsonart®, we are committed to conscious craftsmanship. Sustainable manufacturing. Exceptional durability. And understanding deeply how our surfaces can reflect the values of architects, designers, and end users.

Choose Wilsonart® HPL with confidence, knowing it is engineered to last and third-party certified to help maintain a safe, healthy indoor environment. We take pride in leading the industry with achievements like Declare labels. Wilsonart® HPL is Living Building Challenge Compliant.

ON AVERAGE, WILSONART® HPL CONTAINS 23% POST-CONSUMER RECYCLED CONTENT, WHICH IS 2X MORE THAN OTHER LEADING LAMINATE BRANDS.

SOLVE SUSTAINABLY

Inspired by nature, but created without the impact. Through superior engineering, we provide methods and materials to solve your design challenges with recycled content, sustainably sourced components, and resource-efficient manufacturing.

LAST BEAUTIFULLY

Stands up to everyday use, high traffic, and the maintenance demands of sensitive environments, like hospitals — without the waste of replacing a damaged surface before its time.

CARE PERSONALLY

Your greatest must-have for a space is well-being. Our HPL helps you take care of indoor air quality — so end users are better able to take care of their health. Wilsonart® HPL is also the first product in the laminate category to receive a Declare label and is Living Building Challenge Compliant.

Woodgrains

Striking woodgrain designs from Wilsonart® HPL mimic natural wood with innovative designs and finishes. Notable finishing textures include Ridgewood (-79), a matte finish with dimensional features, and Timbergrain (-05), a low-sheen finish with realistic ticking and natural variation. All Wilsonart woodgrain designs feature natural variations reminiscent of real veneer, but are engineered to perform at a higher level.

Specialty Laminates

Discover unique laminate performance enhancements and design options that can handle the challenges of one-of-a-kind interiors. Made to endure everything from chemical spills to fire damage, our hardworking enhancements can fortify any space. And design options like custom color or colored core laminate will expand your creative potential.

Performance Enhancements

CHEMICAL-RESISTANT

Specifically designed for environments where chemicals and harsh cleaners are used, Wilsonart® Chemsurf® provides exceptional chemical resistance without sacrificing design or style.

FIRE-RATED

This long-lasting, beautiful laminate meets or exceeds the fire codes across the country and comes in a wide range of patterns and colors.

PEEL AND STICK

RE-COVER™ combines vertical grade laminate and adhesive to create an alternative time- and money-saving option to standard laminate installation and fabrication.

WRITABLE SURFACES

Wilsonart® Markerboard is the perfect solution for any space or application that demands a durable and affordable writing surface. It is ideal for classrooms, business and administrative offices, message centers, athletic facilities, or restaurants that need an ever-changing menu board.

INCREASED DURABILITY

Low-cost and built to take the extra wear that comes with high traffic commercial projects, Wilsonart® High Wear Laminate boasts more than five times the industry standard for abrasion resistance.

TRACELESS™ ULTRA-MATTE

Wilsonart® Traceless™ is the perfect surface sensation, featuring an ultra-matte, velvety texture that is soft to the touch. Traceless™ is also easily repairable and resists smears, smudges, and streaks. Minor scratches can be removed with a white sponge, or melamine foam, also known on the market as a “Magic Eraser.”

Design Options

MADE-TO-ORDER SOLUTIONS

Reach beyond the wallboard with Wilsonart’s expanded made-to-order library and custom possibilities. From photorealistic imagery to abstract and artistic graphics, Wilsonart offers a wide range of patterns to fit your needs. Build a custom color or custom design laminate surface that is uniquely yours. Learn more at wilsonart.com/laminate-surfaces.

COLORED CORE

Wilsonart® SOLICOR™ Compact Laminate is a specialty laminate created with a solid color core – eliminating the “brown line” of traditional laminates. A new range of our popular color-through designs is also available in SOLICOR™ Compact Laminate, our laminate composite panels.

THERMALLY FUSED LAMINATE (TFL)

Find a suite of “one-stop” coordinated Wilsonart® TFL solutions in best matched design and texture. Accessory cabinet door fronts and moldings are available. Plus, create inner beauty with new cabinet interiors in linen and textile designs. Visit wilsonart.com/tfl-panels.

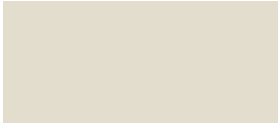

Solid Colors

Solid tone designs from Wilsonart® HPL are the building blocks for any vivid environment. For projects that serve a specific purpose or simply require an understated yet elegant aesthetic, solid designs are the perfect lead or complement for your vision. Explore flexible and adaptable colors in a diverse array of finishes.

Coordinated Solutions

As a world-leading creator in decorative engineered surfaces, Wilsonart delivers a wide range of innovative laminate solutions and services.

Harmonized design is the hallmark of our Coordinated Solutions program. It's simple. Want to create a cohesive design vision across Wilsonart® HPL, TFL, Edgeband, and Cabinet Doors & Moldings? We have a library of several hundred designs that are best-matched across these product lines.

Match an HPL design with a Cabinet Door design. Or a TFL panel design with an Edgeband design. No matter your vision, we can coordinate the perfect solutions for your project.

Start coordinating your vision at wilsonart.com.

MORE CHOICES

One design vision. Four product lines to coordinate. Match your favorite design pattern and texture across Wilsonart® HPL, TFL, Edgeband, and Cabinet Doors & Moldings.

SAVE TIME

Easily move between coordinated product and performance types based on the needs of your project. Wilsonart® Coordinated Surfaces is truly a one-stop solution.

REALIZE YOUR VISION

There are literally hundreds of designs that can be coordinated with Wilsonart® Coordinated Solutions. The lasting durability of Wilsonart products ensures your vision stays beautiful over the long term.

Wilsonart® HD® Laminate

A fusion of beauty and state-of-the-art technology, Wilsonart® HD® Laminate is the hardest wearing Wilsonart® Laminate ever designed. Wilsonart® HD® Laminate with Antimicrobial Protection and AEON™ Technology is intended for residential applications and many commercial applications, including countertops, work surfaces, checkout counters, and tabletops.

The Aligned Oak (-57) and Aligned Walnut (-67) finishes join the Wilsonart® HPL lineup for woodgrain styles that require an extra level of modern luxury. Both offer remarkable texture to elevate the natural presence of real wood.

Laminate Finishes

Explore finishes that will complete your perfect laminate surface with visual and tactile beauty. Premium and Wilsonart® HD finishes offer a premium look and feel with realistic textural elements and enhanced performance with AEON™ Technology.

THE AEON™ ADVANTAGE

Our AEON™ Technology provides 3X industry standard wear resistance and improved scratch, scuff, and mar performance, versus comparable competitive finishes.

ANTIMICROBIAL

Protection is built into Wilsonart® HD® finishes to protect the surface against damaging microbes. When used for countertops and work surfaces, antimicrobial agents inhibit the growth of bacteria, mold, and mildew that cause stains and odors. Antimicrobial protection is also available as a performance enhancement on premium and standard finishes.

AEON™

#01 HIGH GLOSS - PREMIUM

A mirror sheen finish, which gives a smooth, brilliant appearance. Recommended for horizontal applications such as countertops and light to medium commercial applications. Excellent for vertical applications.

AEON™

#05 TIMBERGRAIN - NEW PREMIUM FINISH

A low-sheen wood finish with a dimensional, realistic ticking and natural variation across the surface texture, much like a natural veneer.

AEON™

#07 TEXTURED GLOSS - PREMIUM

A fine textured surface with a sheen level indicative of a waxed wood, polished stone, or other moderately reflective materials.

AEON™

#12 SOFTGRAIN - PREMIUM

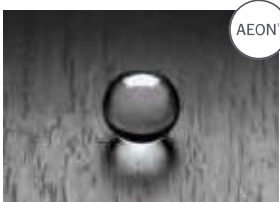

A dense, woodgrain structure that is low gloss and soft to the touch. Subtle highlights of reflectivity randomly occur within the embossed grains, creating a sophisticated raw wood look.

AEON™

#15 FIELDSTONE - NEW PREMIUM FINISH

This matte finish has a mixture of low sheen, stone-like textural attributes layered across the surface. And layered on top are fine, irregular veins and features in a higher sheen, which create natural contrast and dimensional organic detail.

AEON™

#16 CASUAL RUSTIC - PREMIUM

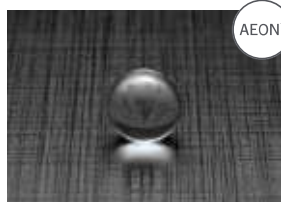

A woodgrain texture with a blend of grain variations ranging from linear to subtle movement with random, irregular features. The overall low gloss surface is accented with higher sheen woodgrain ticking and random highlights.

AEON™

#18 LINEARITY - PREMIUM

A directional texture running the length of the sheet, having a narrow, random, matte-gloss linear quality. It is complementary to linear woodgrains and linear patterns and provides dimension and visual movement to solid colors.

AEON™

#19 LENO WEAVE - PREMIUM

Random intersecting horizontal and vertical lines create a geometric weave with a matte-gloss mix.

AEON™

#22 ANTIQUE - PREMIUM

A mixture of varying low gloss features combined with organic movement, indicative of the surface of an aged stone or an antique metal.

AEON™

#28 GLOSS LINE - PREMIUM

A linear woodgrain texture with varied widths of narrow grain structures in an alternating mix of matte and gloss surface areas.

AEON™

#35 MIRAGE - HD PREMIUM

Subtle variations in matte and gloss finish connect to nature's own finishes: rough and weathered, smooth and polished.

AEON™

#38 FINE VELVET TEXTURE - STANDARD

A smooth-textured finish with moderate reflective value.

AEON™

#52 QUARRY - PREMIUM

Premium finish emulating the "pitted" look of polished natural stone.

AEON™

#55 GLAZE - HD PREMIUM

A layering of matte features over a glaze of semi-gloss creates this timeworn effect.

AEON™

#57 ALIGNED OAK - HD PREMIUM

Authentic realism is brought to the surface using synchronized texture, as each elegantly aged oak design exhibits the natural dimension and feel of real wood.

#60 MATTE - STANDARD

Textured finish with a moderate reflective quality.

AEON™

#67 ALIGNED WALNUT - NEW WILSONART® HD® FINISH

A modern, elevated matte finish with sophisticated textures. Ideal for HPL surfaces in larger settings to create an authentic woodgrain look and feel.

AEON™

#78 FINEGRAIN - PREMIUM

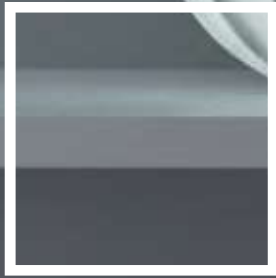

This premium finish features the polish and luxe of a real wood veneer, with a subtle, narrow grain structure that runs the length of the sheet.

AEON™

#79 RIDGEWOOD - PREMIUM

An overall matte finish with ridged dimensional features creating a linear woodgrain effect.

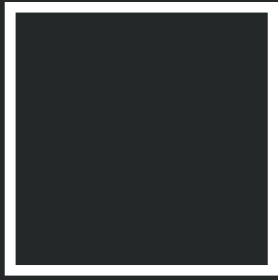

Composite Panels

Available in thicknesses from 1/10" to 1", Wilsonart® Compact Laminate is a durable solution for high-impact surfaces such as lockers and cabinets, elevator cabs, and toilet partitions. A new range of our popular neutral color-through designs are also available in thick SOLICOR™ Compact Laminate. View designs at wilsonart.com.

Decorative Edges

Wilsonart® Decorative Edges for laminates forever eliminate the brown seam line. Choose from two unique architectural options to add the perfect finishing touch to countertops, tables, desks, and reception counters. Available in all Wilsonart® designs.

LUNA WINTER 1850K-35

ABSTRACT DESIGNS

BEVELED EDGE

Strong, crisp angles enhance a solid stone look and feel. The 45-degree angle "cut" reflects light, for a defined border that smartly frames your countertop.

OLD MILL OAK 7973K-12

PLANKED WOODS

CRESCENT EDGE

This versatile edge blends into nearly any kitchen design. It's the perfect finishing touch that adds depth and sophistication to any space.
